

Plug into the Climate Action going on in Oak Park

September 24th at OPRFHS!

Waste
Management

All Are Welcome! Sponsored by all of the public organizations in OP, this informational workshop will highlight all the ways you can

- Save money on your energy bills,
- Know more about planting native gardens,
- Learn about green transportation
- Understand more about composting and recycling.

Join us for **THIS** conversation on Saturday, September 24th at 9:30 a.m., OPRF in the cafeteria.

Then engage in small group discussions on:

- Environmental justice • Energy use in Buildings • Waste, composting, and recycling
- Safe walking, biking and low carbon driving • National, state, and local policy

Walk or Bike, Carpool (street parking available), Bring a reusable water bottle.

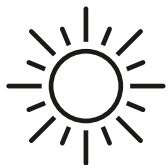

Transportation

Diverse Plants
& Wildlife
