### POSITION SUMMARY:

The Budget and Revenue Analyst serves the public with professional administrative and analytical duties in the areas of budget preparation, purchasing, payroll, data analysis and process improvement. This position provides, prepares and maintains records, and financial and statistical reports and analysis which assist in the Village's ability to improve business processes and gain efficiencies through better use of technology. Budget duties include assisting in the development, analysis and application of performance measures with regard to Village services and resources; preparing, modifying, tracking and monitoring Village expenses and transfers; and conducting budget-related research and analysis. Financial duties relate to assisting in the maintenance of bank accounts, reconciliation of general ledger accounts, and preparation of funds for audit, audit follow-up and purchasing and providing administrative oversight and assistance in department payroll. This role in the Neighborhood Services Department will involve the financial work on federal grants, including Community Development Block Grants.

Possession of a Bachelor's Degree in accounting or closely related field from an accredited university is strongly preferred. Master's degree in Public Administration and/or designation as a certified public accountant (CPA) are desirable, or a combination of experience and education that is equivalent
