**Regular Agenda Items**

**A. Dementia Friendly America:**

Bob Stelletello gave overview of dementia friendly communities which is a network communities, business and organizations to ensure the community is equipped to handle individuals with dementia. Training is provided to individuals to ensure that people can communicate with dementia sufferers and their network.

River Forest started in December 2017. First step is to build the coalition. Then apply to have the designation. Almost no cost involved in the designation. They would fundraise for the costs of the training. Only looking at the Village to partner.
