Dear Oak Park Resident:

Block parties are a great way to meet your neighbors, discover shared interests and, of course, have fun! Everything you need to have a successful block party in Oak Park is contained in this packet.

As you plan your block party, please keep the following regulations in mind:

- Parties may start at 9 a.m., but must not continue past 11 p.m. and noise levels must not disturb residents at any time.
- Due to public safety and traffic considerations, east/west streets may not be closed for block parties.
- So that emergency vehicles can have passage, be sure all tables, chairs and other items placed on the street do not project more than six feet from the curb. A good guideline is to keep within the area next to the curb that is used for parking.
- Provide adequate supervision of children at all times.
- Do not stretch wires, ropes, nets, lights, banners and other items across the street. These could prevent access by emergency vehicles.
- Use only removable barricades provided by the Village to block the street. **Do not use a parked car as a barricade.** Alleys may not be barricaded or used for parties.
- Do not obstruct public sidewalk or public way with barricades, ropes or other objects.
- Alcohol is only to be consumed on private property and may not be sold during the block party.

Block parties are limited to 30 per weekend on a first-come, first-served basis. Each block is limited to two block parties per season. From time to time, the number of block parties on any given weekend may be limited due to other Village commitments. Determination will be made on a first-come-first-served basis. We regret any inconvenience this may cause.

Thank you again for this opportunity to help you create a better community within Oak Park. We wish you the best at your block party and are here to help with the process every step of the way.

Frequently Asked Questions

Q: When can I have my block party?

A: The 2024 block party season will be held from March 29-Oct. 31. However, your party must be approved by the Village to ensure there is no conflict with other street projects. One or two parties may be held on a block each year, but not on consecutive days.

Q: What if my block party is impacted by inclement weather?

A: The rain date for any block party impacted by rain or other inclement weather in most cases shall be the alternate weekend date. If your original date is rained out you will need to call Public Works the Monday following that original event date if you would like to reschedule your event; your rescheduled date preference is not guaranteed and is based on the number of already scheduled events for that week. You will have five (5) days from your original event date to reschedule.

Q: What are the steps to getting a block party approved?

A: The Petition Form in this packet must be completed by at least 10 neighbors on the block. If there are fewer than 10 houses on the block, it must be signed by at least 75 percent of the block.

The form must then be uploaded when you fill out the online block party request form at www.oak-park.us/blockparties.

The form must be received **TWO WEEKS** prior to the requested block party date. Once you receive approval for your block party, you must notify ALL block residents of the date and time of the event.

Q: How will I know my party received approval?

A: You will receive an e-mail confirming your requested block party. If permission for your party is denied, you will be contacted by phone.

Q: Who will provide the barricades for my party?

A: The Public Works Department will deliver the necessary barricades and pick them up from your contact person, unless otherwise specified. Placement of the barricades and their removal is the responsibility of block members. Barricades will be delivered to the contact person on the Friday preceding the block party and will be picked up on the Monday following the block party. If barricades do not arrive by 12:30 p.m. on the Friday before your block party, please call 708.358.5700. If any barricades are missing after the party, a fee of \$35 per barricade payable to the Village of Oak Park will be charged. Please be considerate of persons who have side driveways, and do not impede their property access.

Q: What is the cost for having a block party?

A: The Village does not charge a fee to host a block party. However, many block parties do collect for local charities.

Q: How can I collect for a charity at my block party?

A: You can turn your block party into a fun and charitable event by helping organizations such as the Oak Park-River Forest Food Pantry. Some ideas for getting donations include charging "admission" to games and events, having a lemonade stand, charging non-perishable food items or cash; and asking people to bring canned goods or other supplies for donation. Other ideas include placing a bin or large box outside to collect food. After your event, deliver the food to the First United Church Food Pantry, 848 Lake St, First United Church. The Pantry is open on Saturdays from 9 a.m. to noon. On other days, call 708.386.1324 to arrange delivery or visit www.oprffoodpantry.org for more details.

Q: Where can I find more information on having a block party?

A: For more information on hosting a block party e-mail blockparty@oak-park.us or call 708.358.5700. Visit www.oak-park.us/blockparties.
