Oak Park has a population of approximately 52,000 (based on 2010 Census). The Village’s population is diverse in income levels, age, and professions with a stimulating mixture of racial, religious and ethnic groups. Oak Park is a Home Rule community and operates under the Board-Manager form of government, in which an elected legislative body, consisting of the President and a Board comprised of six Trustees, hires a professional manager to oversee the day-to- day operations of all governmental services and programs, and carry out the policy directives set out by the elected officials.

The Village provides a multitude of services to its citizens in the form of police and fire protection, street maintenance and construction, community relations, housing programs, school crossing guards, traffic control, forestry, garbage collection, flood control, health and human services, animal control, water and sewer, building and code enforcement, economic development, and general administrative functions.

Detailed information on the government and its finances can be found in the Village’s 2017 Budget and the Comprehensive Annual Financial Report (CAFR) for the Year Ended December 31, 2016. The budget, CAFR and other pertinent statements can be viewed at the Village’s website at <http://www.oak-park.us/your-government/finance-department>.

the interpretation to be substantive, the interpretation will be made by written addendum duly issued by the Village.

In the event that a written addendum is issued, either as a result of a request for interpretation or the result of a change in the requested RFP specifications initiated by the Village, a copy of such addendum will be posted on the Village's Website and DemandStar.com. The Village will not assume responsibility for receipt of such addendum. In all cases it will be the service providers' responsibility to obtain all addenda issued.

Furthermore, should the Contractor request that the Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, the Contractor agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. The Contractor shall defend, indemnify, and hold harmless the Village, and agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Contractor's request to utilize a lawful exemption to the Village.
