Part 3 – Questions & Answers

- 1) Is the Village looking for an assessment of the Village's financial condition and fiscal trend analysis, a management audit, and an implementation plan that is additional to what would typically be included in a consolidated plan? If so, are there specifications for those documents?

ANSWER: No, for the consolidated plan RFP, the Village is not seeking an Assessment of the Village's financial condition and fiscal trend analysis, a management audit or an implementation plan beyond what is typically included in such a plan.

- 2) The RFP mentions an analysis of impediments. Is the Village looking for the consultant to also write an analysis of impediments? If so, is the Village looking for an AI in the same format as the 2010 AI currently listed on the website, or is the Village willing to consider a different format in line with the flexibility given with the current Fair Housing Final Rule?

ANSWER: The Village is not currently undertaking an analysis of impediments and is awaiting further direction from HUD before moving forward.

3) Does the Village have a budget in mind for this project?

ANSWER: The Village of Oak Park does not have a specific budget identified for assessing the project requirements and scope of work.
