Instructions for Agenda Public Comment
(3 minutes per person; 3 items per person maximum)

Comments are 3 minutes per person per agenda item, with a maximum of 3 agenda items to which you can speak. In addition, the Village Board permits a maximum of three persons to speak to each side of any one topic that is scheduled for or has been the subject of a public hearing by a designated hearing body. These items are noted with a (*).

III. Public Forum on the topic of Public Safety

During the Village Board's goal setting sessions this past summer the Board set out to have quarterly forums with the public on various topics. These forums are designed to be less formal than the business meetings of a regular or special meeting, and instead are designed as discussions that allow for the Board, staff and the public to interact and have a dialogue on a variety of topics. Future discussions may include infrastructure, public health or economic development.

This first forum is on Public Safety. Members of the Oak Park Police Department, including Chief Rick Tanksley, will lead a discussion on how we collectively as a community think about public safety and what the community can do jointly with the Police Department to ensure we have the safest community possible. Residents are invited and encouraged to attend, listen and ask questions or provide comments.

- A. **Presentation by Police Chief Rick Tanksley**
- B. **Board & Public Discussion & Dialogue**
